

WiSACWIS Release 3.10 Notes

Archiving

1256	Both C/S & eWiS	Archive - Request Retrieval	No system admin error now appears when trying to "retrieve" archived case via Utilities>Archival>Request Retrieval in both c/s and eWiSACWIS environments.
------	-----------------	-----------------------------	--

Assessment

257	Both C/S & eWiS	IAPC Template	If information is entered with double spaces between paragraphs on the Maltreatment tab of IAPC in eWiSACWIS, they are properly displayed when the template is launched. Also, correct rates are displayed on the template for the parents if they are different on the Adult Functioning tab.
-----	-----------------	---------------	--

Close Case & Adoption Decree

1185	Both C/S & eWiS	Don't allow merge of CPS with Pre-Adopt child case	When a CPS case is closed for a reason of merge and the case to be merged into is searched, the search excludes pre-adoptive child (PAC) cases in both c/s as well as eWiSACWIS environments.
------	-----------------	--	---

Collect/Determine Eligibility

1316	Both C/S & eWiS	User can save Initial determination w/out Eff. Date	The user now cannot complete an initial eligibility determination and save it without an Effective Date
------	-----------------	---	---

Foster Care/Out of Home Placements

1216	Both C/S & eWiS	Copyover of Rate Setting in OHP	Rate Setting points/amounts will only copy over to valid placements and will be saved after final approval on the placement.
------	-----------------	---------------------------------	--

Foster Care/Out of Home Placements

1304	Both C/S & eWiS	Can create overlapping placements	Placements now cannot be created with overlapping placement dates in both eWiSACWIS as well as c/s
------	-----------------	-----------------------------------	--

WiSACWIS Release 3.10 Notes

Foster Care/Out of Home Placements

1312 Both C/S & eWiS Adpt Fam. Plcm Agrmnt
Template disabled

A new Adoptive Family Placement Agreement text template can now be created and the Adoptive Family Placement Agreements created prior to WiSACWIS 3.9 can now be accessed.

Foster Care/Out of Home Placements

1382 Both C/S & eWiS Rate Setting amounts copied to
wrong plcm

Rate Setting points/amounts will only copy over to valid placements. They will not copy over for a different provider but will copy over for the same provider as in the Rate Setting.

All previously created placements with wrong rate settings were appropriately converted.

Foster Care/Out of Home Placements

1407 Both C/S & eWiS Rate Setting could save rates to
invalid plcm

Rate setting values are now not copied over to Kinship Care placements from Foster care Placements in both c/s as well as eWiSACWIS

WiSACWIS Release 3.10 Notes

KIDS Interface

1333 Both C/S & eWiS #287 KIDS Interface change order

Question 3 on the KIDS Referral pop-up window was modified to read:

Is the worker aware of a court order for child support OR is this otherwise an appropriate case to refer for child support services?

Other changes include:

A referral from WISACWIS to KIDS will be generated when a paid placement is approved rather than when the first payment is made.

The edit that a referral is generated only when the eligibility worker answers 'No' to the question "Is the worker aware of a court order for child support?" in the Initial Determination has been removed.

Legal Consult

1259 Both C/S & eWiS PP Hearing (annual) tickler gets wrong due date.

When calculating a new Perm Plan Hearing Tickler Due date the due date is calculated by adding 365 days to the most recent PP Hearing date instead of 180.

Manage Trust Accounts

1322 Both C/S & eWiS Disable Non-Wisacwis Benefit Window

The Non-WISACWIS Benefits Window is disabled with the August release

WiSACWIS Release 3.10 Notes

Private Provider

1320	Both C/S & eWiS	Time stamp recorded in Prvd_Elig_Cost table.	When multiple rows are entered in the Provider Eligibility Cost window/Page, the time stamp on each row is now incremented by one second to reflect the order in which the information was inserted.
------	-----------------	--	--

Voluntary Services Referrals

1308	Both C/S & eWiS	Incorrect choice on Detail tab for JIPS Intake	The only time the 'Delinquency under 10' value is now displayed on the Detail Tab of Service Intake Page is when the intake type is of type "JIPS"
------	-----------------	--	--

Worker Assignment

1332	Both C/S & eWiS	Store worker Unit (CD_UNT) at time of Asgnmnt	The worker's unit is now being stored with the Assignment record.
------	-----------------	---	---

AFCARS

1200	C/S Only	AFCARS Determines Adoption incorrectly	The AFCARS batch now looks at the New Legal Status of 59 "Adoption Finalized" to determine that a child was adopted.
------	----------	--	--

AFCARS

1249	C/S Only	AFCARS should consider 1-day plcms	AFCARS #18, 19, 20, 21 now consider placements made for only 1 day as long as they are not ended with End Reason = 'Placement Made in Error'
------	----------	------------------------------------	--

AFCARS

1268	C/S Only	AFCARS does NOT recognize Historic Prvd Placements	The Historical Placement service category has now been added to the list of "AFCARS Service Categories."
------	----------	--	--

WiSACWIS Release 3.10 Notes

AFCARS

1339	C/S Only	AFCARS should set editable=N in some situations	AFCARS #45 is now disabled when there is no primary caretaker and 50, 52, or 53 are disabled when there is no Provider available on the AFCARS Window in c/s environment.
------	----------	---	---

AFCARS

1569	C/S Only	Add FPI to the AFCARS list of Svc Categories	FPI service category is now added to the list of AFCARS Service Categories.
------	----------	--	---

Close Case & Adoption Decree

1092	C/S Only	Case Closure Report Report to be broken by county	Each county will now receive their own Case Closure report with just their county information
------	----------	---	---

Close Case & Adoption Decree

1235	C/S Only	case closure edit messages	If users are attempting to close Pre Adoptive child case, but do not have the appropriate Legal Status the error message in the Case Closure report now reads "Case cannot close. Child whose final placement has an End Reason of 'Adoption' must have a Legal Status record of the finalized adoption prior to case closure."
------	----------	----------------------------	---

Collect/Determine Eligibility

812	C/S Only	IV-E not copying over from CPS Family to Pre-Adopt	IV-E eligibility are now copied over from the CPS Family case to the Pre-Adoptive Child Case.
-----	----------	--	---

Foster Care/Out of Home Placements

1623	C/S Only	Null values on Rate Setting table in req'd flds	One does not get a fatal application error in eWiSACWIS or a message asking the user to enter minimal required fields in c/s while tabbing through all the tabs on the Rate Setting Window/Page.
------	----------	---	--

WiSACWIS Release 3.10 Notes

Issue/Reconcile Checks

1334	C/S Only	Ad hoc report converted to standard batch report	The adhoc report FM0220p/m has been converted to a standard batch job
------	----------	--	---

Manage Trust Accounts

1324	C/S Only	b-fm0708-kids-ledger-update	Exception report is now generated by County and All Counties
------	----------	-----------------------------	--

Manage Trust Accounts

1338	C/S Only	FM0702	Increased claim number report field on the report to 11 to include the C1, C2
------	----------	--------	---

Process Payments & Purchase Requests

541	C/S Only	fm02b-overpayment adjustment batch	No o/p adjustments will be created by fm02b batch if there isn't a positive payment available to draw an overpayment and it's adjustments against. Further, enhancements were added to be sure there is enough payment amount to draw any overpayment (and it's adjustments). For any Prov Repmnt Method ('I','R','A') there must be a payment > the reduction in order to create any additional o/p adjustments.
-----	----------	------------------------------------	---

Ticklers

1413	C/S Only	Escalation Dates to Director	Chippewa County's Director no longer receive any ticklers.
------	----------	------------------------------	--

Voluntary Services Referrals

1306	C/S Only	Services intake screening decision time stamp	Earlier, if a supervisor made a final decision of "Screen Out", the date/time stamp did not prefill, as it should. This has now been corrected.
------	----------	---	---

WiSACWIS Release 3.10 Notes

Activity Notes

155	eWiS Only	Assessment Contact - Face to Face Contact Result	<p>When creating an Assessment Contact and then selecting the Type and the Face-to-Face Contact Type of 'Not Applicable', the Face-to-Face Contact Result becomes disabled.</p> <p>However, in the past, upon inserting an Assessment Contact Information row and saving without entering the Name, Affiliation and Title the system displays 3 validation errors to enter data in the highlighted fields and also enables Face-to-Face Contact Result field. This field remains disabled now following the above described scenario.</p>
-----	-----------	--	---

Collect/Determine Eligibility

192	eWis Only	Error while inserting multiple deprivation rows	Multiple rows can now be entered and saved on the Deprivation Page which is accessed off Eligibility Page in e-WiSACWIS
-----	-----------	---	---

CPS Reports

216	eWiS Only	PS Report	Zip Code processing on Intakes works correctly when entering a 9-digit zip code.
-----	-----------	-----------	--

CPS Reports

258	eWis Only	PS Report template	The PS Report template in eWiSACWIS now displays Supervisor's decision when different screening decisions are made by the worker and supervisor.
-----	-----------	--------------------	--

CPS Reports

1472	eWiS Only	Participant Identification screen.	Empty row in Sort By drop down has been taken out from the Intake Inquiry Search page in eWiSACWIS.
------	-----------	------------------------------------	---

WiSACWIS Release 3.10 Notes

CPS Reports

1752 eWiS Only Linking a PS report to closed case

Earlier in eWisacwis, a closed case could not be saved when a Screened Out PS Report/Service Intake was linked to it, however this is possible now.

Foster Care/Out of Home Placements

1586 eWiS Only Discharge = 'U' cannot create new placement

New Placements can be created for a child whose last placement was closed with a reason of 'Placement Made in Error'.

Foster Care/Out of Home Placements

1722 eWiS Only Fatal App Error approving placement

Earlier in eWiSACWIS, supervisor could not approve a placement if they did not have an assignment to that case. This has now been corrected. Supervisors can approve an Out of Home Placement even if they do not have an assignment to that case.

Foster Care/Out of Home Placements

1723 eWiS Only Prvd Must NOT have Srvc Type when saving OHP

After choosing a Provider while creating a Out of Home Placement in eWiSACWIS, if service type is changed to a service which the provider is not licensed for, an error message "This will reset the provider info ... " is displayed.

Foster Care/Out of Home Placements

1751 eWiS Only fl_retro_calc on the Episode record

In eWiSACWIS when an episode is approved by the Supervisor, payments were not being generated for periods other than the current month. i.e., if the placement was created in August with a begin date = 1/1/03, payments were created only for Aug. Now payments will be generated form Jan. through Aug.

WiSACWIS Release 3.10 Notes

Foster Care/Out of Home Placements

1802	eWiS Only	Rte Stng pts/amt deleted when plcm ends	In eWiSACWIS, Rate Setting points and amounts are no longer deleted from the out of home placement when the placement is ended.
------	-----------	---	---

Home Inquiry

2	eWiS Only	Intake Inquiry Search	The process of selecting participants on an intake has been streamlined. You are now able to select multiple participants and then click the 'Add Participant(s)' button, which will verify the address for each participant and then add them to the Participants group box.
---	-----------	-----------------------	---

Home Provider

213	eWiS Only	Navigate to Person from Home provider	The Person Management page for members of a Home Provider can now be accessed.
-----	-----------	---------------------------------------	--

Home Provider

1383	eWiS Only	Services tab	Service specific vacancy information for unlicensed services are now calculated correctly in eWiSACWIS
------	-----------	--------------	--

Home Provider

1437	eWiS Only	Services tab	When activating licensed services for a treatment foster care license, the services are now displayed on the home provider services tab.
------	-----------	--------------	--

Legal Consult

225	eWiS Only	Existing Legal Docs that were rmvd don't launch	Existing Legal Documents that were removed from the system in the previous release can now be launched without generating any messages.
-----	-----------	---	---

WiSACWIS Release 3.10 Notes

Licensing Home Providers

62 eWis Only Date Edit

A future date can not be entered in the 'Date Completed Application Recd' field on the provider's license.

Licensing Home Providers

184 eWiS Only Not Approve license

The only option now available in eWiSACWIS while leaving the Assessment Decision as 'Pending' and then choosing Approval -> Go is 'Not Approve'.

Licensing Home Providers

187 eWiS Only Licensing Home Providers

Validation error message about overlapping dates while creating a license in eWiSACWIS is now displayed upon initial approval by the worker and not while doing final approval as the supervisor.

Licensing Home Providers

189 eWis Only Not Approved License showing Pending

If a license is 'Not Approved' in eWiSACWIS, this license will now be set to 'Closed'. Earlier, it remained in a 'Pending' status and would not allow creation of a new license.

Licensing Home Providers

224 eWiS Only Text templates

The following templates now save when information is entered. Accessed from the Basic tab, Home Provider License page.

Adoptive home assessment results
Adoptive home assessment suspension
BMCW Adoptive home study approval
Adoption home study approval
Adoption home study approval specific child

WiSACWIS Release 3.10 Notes

Licensing Home Providers

242	eWis Only	Enable save button on Edit Licensed Services page	When creating a new physical address for a home provider that has an active license in eWiSACWIS, Save button on the Edit Licensed Services page is now enabled prior to making any changes to the service records. This allows a worker to quickly assign all service types that were active for the previous license to the new pending license.
-----	-----------	---	--

Licensing Home Providers

256	eWis Only	Error opening FFA via Search	No error is displayed when clicking the link to open the FFA via search.
-----	-----------	------------------------------	--

Licensing Home Providers

1399	eWiS Only	Edit Licensed Services	Licensed Service Types requiring provider service rates can be added to a provider's license and activated if a rate is entered. But if a rate is not entered at time of license approval, it will not be activated until the Rates are added from the Home Provider Maintenance page.
------	-----------	------------------------	---

Office Automation

183	eWis Only	Error opening c/s template to in e after conver.	FFA created in c/s environment can now be opened in eWiSACWIS.
-----	-----------	--	--

Process Payments & Purchase Requests

1	eWiS Only	Refer county's referral to Maximus	Sheboygan, Waushara and Pepin County's Eligibility Referral is now going to the appropriate MAXIMUS worker.
---	-----------	------------------------------------	---

WiSACWIS Release 3.10 Notes

Process Payments & Purchase Requests

198	eWis Only	Incorrect and missing enhancement functionality
-----	-----------	---

The client server system removed the payment request row from the payments request icon on the desktop once a check has been issued.

In eWiSACWIS, the details associated with each payment line of the check will continue to not be displayed on the desktop under the payments icon after the check has been cut but will now be available by drilling down the second level check icon under the Checks Icon on the Desktop. The Check information row will be a hyperlink to the Check Disposition Page and the Payment Line will be a hyperlink to the payment Request page.

Process Payments & Purchase Requests

231	eWiS Only	Payment Calculations for autocalculated srvc type
-----	-----------	---

For a service type that is auto calculated and uses a provider service rate, when creating a payment request in eWiSACWIS and entering dates in the date fields, correct rate is used based on the date entered on the payment request. Similarly, correct rate based on service rate is now used while creating a payment request in eWiSACWIS for those services which are service rate based.

Process Payments & Purchase Requests

236	eWis Only	Payment Request Page
-----	-----------	----------------------

Placement & Service Types are no longer set to null when saving a one-time Payment and Units can now be entered when applicable.

WiSACWIS Release 3.10 Notes

Search

171	eWiS Only	Inconsistent results when using * and sounds like	Correct validation message 'You cannot do a "sounds like" search using a wild card.' is now displayed when searching in the Main ->Utility -> Search for a provider or worker using * and checking the sounds like checkbox.
-----	-----------	---	--

Spell Check

53	eWis Only	Display msg when spell check completes checking	While checking e-Wisacwis documents, when spell check did not find any errors, it would do nothing but now a message will be displayed to let the worker know that spell check has completed checking the document.
----	-----------	---	---

System Wide

120	eWis Only	Prmncy Plan carryover from c/s to e isn't working.	Permanency Plan carryover from c/s to e-Wisacwis is now working correctly. Agency name, judge name, GAL name in the editable text, next perm. plan due date are examples of things that did not carry over but now are.
-----	-----------	--	---

Ticklers

68	eWiS Only	Waupaca County Tickler Modifications	Ticklers specific to Waupaca county have been set up.
----	-----------	--------------------------------------	---
